

TO: MEMBERS OF THE PUBLIC

The Yolo Emergency Communications Agency (YECA) proposes to adopt an amended Conflict of Interest Code to comply with the requirements of Government Code §§87300 et seq., and 2 Cal. Code Reg. §§18730 et seq.

The proposed Code incorporates by reference the requirements the Fair Political Practices Commission has adopted to govern conflict of interest codes in the State of California. The Code requires officials and employees of YECA who occupy decision making positions to disclose any financial interests that may conceivably affect their decisions for YECA and bars such officials from participating in decisions having a material effect on these individual's economic interests.

Interested persons may obtain a copy of the proposed Code by telephoning the YECA office at 530.666.8900 or by writing the YECA Executive Director at 35 N Cottonwood, Woodland, CA 95695. Interested persons may also review YECA's written explanation of the reasons for the designations and the disclosure responsibilities, together with other information upon which the proposed amendments to the Code are based, at the YECA office located at 35 N Cottonwood, Woodland, CA 95695 California, during normal business hours.

Written comments concerning the proposed Code may be submitted to the District at the address above from December 21, 2018 to January 10, 2019. The District will hold a public hearing on the proposed Code at its regular meeting on January 10, 2019, beginning at 2:00pm at 35 N Cottonwood, Woodland, CA 95695.

Any inquiries concerning the proposed Code may be directed to the YECA Executive Director at 530.666.8900
